Octavio/Leticia,

We are looking to establish a periodic trolley stop for the cruise lines and some tours we are creating. Augie Bezmalinovich has spoken with Chris Chase and Mike Galvin regarding our plans.

We would like to designate a trolley stop to accommodate cruise line passengers in a convenient location. We may also put up a visitor kiosk. Attached is a map of the proposed location. Please let me know if that works for you.

We may potentially start this Friday, but most likely we will start next Tuesday.

Please let me know what your thoughts are or if you have any specific information you need to relay.

We look forward to working with you to make the San Pedro cruise terminal a visitor-friendly environment.

Best regards,
